IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the ExPT and sent to your institution's CEO in November 2012.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.

Student Financial Aid

Institution: Missouri University of Science and Technology (178411)

Source	Description	Severity	Resolved	Options
--------	-------------	----------	----------	---------

Screen Entry	The average amount of this type of aid is outside the expected range when compared with last year's value. Please check the number of students and the total amount of aid awarded to them, and fix or explain the discrepant values. (Error #7147)	Explanation	Yes	Back to survey data
--------------	---	-------------	-----	---------------------

Reason: This is reflection of a reduction in Access Missouri grant funds.

Screen Entry	The average amount of this type of aid is outside the expected range when compared with last year's value. Please check the number of students and the total amount of aid awarded to them, and fix or explain the discrepant values. (Error #7147)	Explanation	Yes	Back to survey data
--------------	---	-------------	-----	---------------------

Reason: The decrease is due to a lack of availability in private funding of loans due to a down economy.

Screen Entry	The total number of Group 4 students who were awarded any Title IV grant aid across all income levels is outside of the expected range based on the prior year value. Please fix or explain. (Error #7334)	Explanation	Yes	Back to survey data
--------------	--	-------------	-----	---------------------

Reason: This is a reflection in increase participation in the Federal Pell Grant program.
