7. Amendment, Collected Rules and Regulations 340.010, Family and Medical Leave

That Collected Rules and Regulations, Section 340.010, Family and Medical Leave Act be amended as follows:

340.010 Family and Medical Leave

Bd. Min. 2-9-17; Amended Bd. Min. 2-9-2020, effective 3-1-2020

- A. **Purpose.** This policy describes provisions and resources supporting the University's strong commitment to the Family and Medical Leave Act (FMLA),

which provides eligible employees with job-protected unpaid leave for specified family and medical reasons.

- B. **Scope.** This policy applies to eligible faculty and staff employees of the University. Faculty, as well as other members of the University's community, should refer to applicable Collected Rules and Regulations or other administrative resources for additional information regarding leaves of absence. This policy will not be construed to diminish or alter any faculty leave authorized by Section 340.070.B.2 of the Collected Rules and Regulations and the provisions of Section 340.070.B.2 shall control in the event of any inconsistency in this policy.
- C. **Definitions**
 - 1. **Eligible Employee.** An eligible employee is one who has been employed

1. **Leave Entitlement.** Subject to the requirements described in this policy, an eligible employee may take up to twelve (12) workweeks of leave in a

- recuperation, therapy, is in outpatient status, or is on the temporary disability retired list for a serious injury or illness; or
- b. A veteran of the Armed Forces (including the National Guard or Reserves) discharged within the five (5) year period before the family member first takes military caregiver leave to care for the veteran and who is undergoing medical treatment, recuperation, or therapy for a qualifying serious injury or illness. A veteran who was dishonorably discharged does not meet the FMLA definition of a covered service member.

For a current service member, a serious injury or illness is one that may render the service member medically unfit to perform military duties. For a veteran, a serious injury or illness is one that rendered the veteran medically unfit to perform military duties, or an injury or illness that qualifies the veteran for certain benefits from the Department of Veterans

Board of Curators Meeting

The department will return the employee to the same position held before the leave or an equivalent position. The employee will be provided the level of benefits and seniority held before the leave.

10. **Failure to Return to Work.** If the employee fails to return to work following the expiration of the FMLA leave and has not requested an extension of the leave, the employee will be considered to have voluntarily resigned from the university as of the day the leave paperwork expired.

8. Amendments to Collected Rule and Regulation 310.015, Procedures for Review of Faculty Performance –

that Collected Rules and Regulations, Section 310.015, Procedures for Review of Faculty Performance, be revised as follows:

Chapter 310: Academic Tenure Regulations

310.015 Procedures for Review of Faculty Performance

Bd. Min. 1-19-01; Amended 11-29-07; Amended 4-12-13; Amended 4-27-17; Amended 2-6-20.

- A. **Non-Tenure Track and Untenured, Tenure Track Faculty.** The performance of all non-tenure track and untenured tenure track faculty is to be reviewed annually by the appropriate unit supervisor (e.g., department chair, dean, director, etc.). The performance review should also include the workload distribution for the coming year or multiple years.
 1. Written evaluations are expected and must be provided to non-tenure track faculty members. The workload standard for non-tenure track faculty members should be spelled out in detail based on the specific job responsibilities and expectations in the job description (see CRR 310.035).
 2. Plans for untenured faculty may include multiple years up to the tenure review (see CRR 310.080.C). A multi-year plan will not be considered as assurance that an appointment will be renewed during the period covered by the plan. Annual evaluations of untenured faculty members during the probationary period must follow the faculty bylaws governing tenure for each campus (CRR 300.010 Faculty Bylaws of the University of Missouri-Columbia; CRR 300.020 Faculty Bylaws of the University of Missouri-Kansas City; CRR 300.030 Faculty Bylaws of Missouri University of Science and Technology; and CRR 300.040 Faculty Bylaws of the University of Missouri-St. Louis).
- B. **Tenured Faculty Members.** Tenured faculty have proven their ability to contribute significantly in their discipline and to work independently and productively in their field. In this document we affirm and strongly defend the importance of tenure at the University of Missouri. By fostering creativity and

signed evaluation will be provided to the faculty member by the chair within a month after the faculty member has signed the evaluation.

- c. If a faculty member receives an unsatisfactory evaluation in any category, there must be a face-to

with a satisfactory evaluation. The purpose of the five-year post-tenure review is not merely to identify and remedy unsatisfactory performance, but also to identify and reward excellence in teaching, research, and service in accordance with the assigned workload distribution. In consultation with the chair, the Provost and the Dean will provide incentives to faculty who have exhibited such excellence.

- f. If an unsatisfactory overall performance review occurs in one or more years over the five year period, trends in the faculty member's performance will be considered in the final determination of the five-year post-tenure review. If the post-tenure review is deemed unsatisfactory by the chair and the initial review was conducted by the chair, then the chair will send the five-year report to the evaluation committee of the unit. The departmental committee of faculty peers will perform its own full review of the performance of the faculty member over the five-year period and provide an independent assessment of the performance of the faculty member.
- g. The report will be forwarded to the appropriate dean, indicating the decision of the chair and departmental committee. The dean will review the report and provide an assessment of the performance of the faculty member. The five-year evaluation process will be complete if the dean judges the performance of the faculty member to be satisfactory. If a majority of the evaluation committee of the department/unit and the dean consider the performance of the faculty member to be unsatisfactory, a plan for professional development will be written (see B.2. below).
- h. At every level of review, the faculty member will be provided with a copy of any written report that is part of these proceedings and will have the right of appeal of any evaluations, decisions, or recommendations to the next level of the process.

(1) *Committee Membership*

- (a) The evaluation committee is typically the one that reviews faculty for tenure and promotion (CRR 320.035.A.1.d.). Only those who are tenured faculty members in the department may

- f. If the chair, the department/unit committee and the dean do not find satisfactory progress in two of the three years, then the five-year evaluations plus the three years of progress reports and evaluations by the chair on the development plan will be forwarded to the campus committee on Tenure and Promotion and to the Provost or Vice Chancellor for Academic Affairs. Each will review the reports and will recommend separately to the Chancellor that: 1) an additional two-year development plan be written and implemented in consultation with the faculty member and the originating departmental committee, or 2) the faculty member be considered for dismissal for cause proceedings (see section 3.)
- g. Any faculty member may request participation in a formal development plan (as described in 2.a.) after two or more consecutive unsatisfactory annual evaluations. In addition, chairs will strongly encourage faculty who have had three consecutive unsatisfactory annual evaluations to participate in a development plan.
- h.

3. *Dismissal for Cause*

- a. If it is deemed by the Chancellor that the performance of the faculty member during the periods covered in section 2 constitutes sufficient grounds, dismissal for cause may be initiated and if initiated will proceed in accordance with the procedures for dismissal for cause described in section 310.060.
 - b. This procedure for review and development of faculty performance does not substitute for the dismissal for cause procedures stated in section 310.060.
 - c. Notwithstanding the provisions of section 310.015 B.2.f. above, this procedure does not impose additional requirements upon the University prior to initiating dismissal for cause procedures as stated in section 310.060.
- C. **Tenured Administrators** – Department chairs and those whose positions are primarily administrative will continue to be evaluated annually according to their workload distribution. In the event that a department chair or those whose positions are primarily administrative leaves their administrative position to become a full-time active tenured faculty member of a department, the normal annual departmental review process would be used to establish the faculty member's workload distribution and to address any discrepancy between the current abilities of the administrator and expectations concerning performance based on minimum departmental standards for the annual performance review. If there is a discrepancy between current ability and departmental standards, a development plan funded by the administration should be considered for the administrator prior to their returning to the department. Faculty who return to the

amendment thereto shall be filed with the Chancellor and the Chair-elect of the Senate. The Bylaws shall not contain any provisions inconsistent with the UMKC Bylaws.

b. **Curriculum and Degrees** -- The Faculty of a school and/or department, together with the appropriate administrative officers, shall be responsible for recommending all academic courses and programs and for recommending candidates for degrees.

(1) The Faculty of each school, through its dean, shall file with the registrar a copy of its admission and retention standards, its degree requirements, and individual course additions and deletions. The registrar shall distribute copies of such standards, requirements and course additions and deletions to the Chancellor and the deans of the other schools.

c. **Selection and Retention of Academic Faculty** -- The Faculty of each school and/or department or other teaching unit shall establish criteria and specify procedures to be followed, as a general policy, in recommending the selection, retention and promotion of members of the Faculty.

(1) As a general policy all academic staff appointments to a School Faculty shall be made after the Dean of the school has received a written recommendation from an appropriate department committee or equivalent teaching unit. The Dean shall forward the recommendation of the committee with his/her own recommendation to the Chancellor.

(2) Recommendations for promotion and/or tenure, and to reappoint or not to reappoint, shall be made by the Dean of the school after receiving a written recommendation from an appropriate department committee or equivalent teaching unit. The Dean shall forward the recommendation of the committee with his/her own recommendation to the Chancellor.

d. **Selection of Deans** -- As a general policy, recommendations for the selection of deans in any school shall be made by the Chancellor after consultation with an appropriate committee which will include members of the Faculty of that school. This consultation procedure shall not abrogate the final responsibility and authority of the Chancellor to recommend a dean's appointment or replacement.

e. **Selection of Department Chairs, School Division Chairs and Directors** -- As a general policy, the Dean shall recommend appointment or replacement of a department Chairperson, school division Chairperson or Director only after consultation with the Faculty of the department, subdivision or sub-unit concerned. This consultation procedure shall not abrogate the final responsibility and authority of the Dean to recommend the appointment or replacement

Faculty and the Student Government Association and the Intercampus Student Council.

4. Meetings

a. The meeting schedule for each semester shall be set by the Chair of the Senate; however, additional meetings may be called by the Chair, at the request of the Chancellor, or at the request of 20 percent of the Senate or 10 percent of the Voting Faculty.

b. Any Faculty member may appear before the Senate to express his/her concerns by sending a written request to the Senate Chair-elect, who shall thereupon notify the Faculty member of the

d. The Faculty Senate shall adopt the SOP by majority vote.

e. The Faculty Senate shall adopt any amendments to the SOP by majority vote.

f. The FSEC shall ensure that the SOP be available on the Faculty Senate website.

G. **Bylaws and Amending Procedures**

1. These Bylaws are subordinate to all Bylaws, rules, regulations and policies established by the University or adopted by The Curators of the University of Missouri.

2. Ratification of amendments

a. Amendments must have two readings in the Senate and be passed by secret ballot after the second reading.

b. Amendments, passed by the Senate, must be circulated to the voting Faculty for an electronic election with two weeks allowed for voting.

c. Amendments are approved by a majority of the faculty who vote, as defined in B.1 of these bylaws.

3. These Bylaws and amendments thereto become effective upon ratification by the Board of Curators.
